How to add these videos?

Create one title by concatenating the selected videos to one video, resulting in one button being added to the menu page.

Click
Create multiple titles

the menu page

Create one title

Create multiple titles

The diagram shows two examples of a 'Current Menu Page'. The left example shows a single button with a star icon. The right example shows four buttons arranged in a 2x2 grid, with two stars. A mouse cursor is pointing at the right diagram.
